Skimmer, Black		Swallow, Northern Rough-winged	
Jaeger, Pomarine		Swallow, Barn	
Jaeger, Parasitic		Chickadee, Mountain (SL)	
jaeger sp.		BUSHTIT	
Murre, Common (DS)		Nuthatch, Red-breasted	
Auklet, Cassin's		Nuthatch, White-breasted (SL)	
Auklet, Rhinoceros		Creeper, Brown (SL)	
PIGEON, ROCK		Wren, Cactus	
Pigeon, Band-tailed (SL)		Wren, Rock	
Collared-Dove, Eurasian		Wren, Bewick's	
DOVE, MOURNING		Wren, House	

**Please provide the following information on “Party” TIME and MILES in the table below.**

A Party is any group of people birding together, or even one person birding alone. If the same group is together all morning and stays together all afternoon, that’s one party. But if the same people are together all morning, then later they split up into 2 groups, they become two new parties. The second case had a total of 3 parties that day (one in the morning and two in the afternoon). It does NOT matter how many people are in each party. All of the CBC statistics are based on “parties”, not “people”. Keep it simple. . . Don’t make it more difficult than it needs to be.

**Start Time and End Time:** Enter when each party started and ended.

**Party-hours and miles:** Estimate how much of your effort was on foot, in a vehicle, or on a boat. “Night” is before 6:30 AM or after 5:30 PM. Keep nighttime activities (owling & raiiling) separate from daytime. If you took any long breaks (like an hour for lunch), subtract that from your total hours.

	Start time	End Time	Night hrs.	Daytime Hours	Daytime hours only		
					Hours by Foot	Hours by Car	Hours by Boat
Party 1							
Party 2							
Party 3							
Party 4							

	Night miles	Daytime Hours	Daytime miles only		
			Miles by Foot	Miles by Car	Miles by Boat
Party 1					
Party 2					
Party 3					
Party 4					

**Contact count compiler with questions or concerns:** Steve Alter: 714-669-9482; scalter1@pacbell.net  
**Mail this form to:** Steve Alter, 18001 Bigelow Park, Tustin CA 92780-2209

**Compiling count results:** We’ll meet at the Learning Center (the big grey “house”) at the San Joaquin Wildlife Sanctuary in Irvine after the count. We’ll have the room open at 5:00 if you want to come early to relax & complete your paper work, and we’ll have “munchies” available then. Supper will be at 6:00 and the Tally will start at 7 PM. EVERYONE who took part in the count is invited! (This is a great time to find out what was seen by other groups on the count.)  
**FOOD:** We’ll have hot coffee & decaf and “munchies”, sodas, pizza, salad and some cookies. RSVP to Nancy Kenyon if you plan to eat with us; that way we’ll know how much food to get. Otherwise, we may run short! 949-786-3160; nancykenyon@cox.net . Cost per person \$10 payable at the Tally.  
*Hope to see you there!* Directions and a map are on the Invitation Form.
