Are you looking for the perfect gift to honor someone in a meaningful and lasting way? Or do you just want to help out with our amazing Education programs? Our programs depend on having “real” specimens and it is time to update our taxidermy collection. We have three spectacular specimens that need sponsors:

**White-tailed Kite** ($1,500),
**Double-crested Cormorant** with wings held out ($1,400), and
**Display of Brandt’s Cormorant** spread wing, skull and tail ($450).

Will you make this happen? Because these preparations are expensive, we accept “shared sponsorships” where several donors contribute for the same bird. Everyone’s name will be on the attached sponsor plate.

Print out the Taxidermy Sponsor Form on the following page of this document. Mail tax-deductible checks for sponsorship (payable to Sea & Sage Audubon) to: **Taxidermy, Sea and Sage Audubon, 5 Riparian Way, Irvine CA 92612**

Thank you for your support!
