

Sea and Sage Audubon Special Event Sunday, October 22

Capt. Dave's Dolphin & Whale Watching Safari

Join Sea and Sage Audubon on Sunday October 22nd, from noon to three for our first exclusive, very private event aboard the Manute'a, docked in beautiful Dana Harbor!

You won't want to miss this special "fun" raiser!

Seating will be limited and sold on a first come, first served basis. The donation for each ticket will be just \$150.00, which will include 3 knowledgeable crew members, our own pelagic-guide and a gourmet lunch. Upon our first sighting of a mammal, we will offer a champagne toast to our beautiful Pacific Ocean!
